BRUSH PICK-UP – will take place the first and third weeks of May as workload, time and weather allows. This will be for yard waste only. Any “chippable” debris must be free of any nails, screws or metal. All leaves must be bagged.

FLUSHING HYDRANTS - The Village DPW will be exercising valves and flushing hydrants on Tuesday May 14th through Thursday May 16th, weather and work load permitting. This process may cause discoloration in the water so please plan accordingly.

VILLAGE-WIDE YARD SALES – will be held on Saturday June 1st.

SWIMMING POOL OWNERS – To avoid being charged for water usage on your sewer bill, please contact the Village Office with your water reading before and after filling your pool. Flip the cover on your new meter in your house to read it. If you need the Village to read the meter there will be a \$10 service charge.
