PPA **WHAT IS PPA?** Many of you have asked about the PPA line on your electric bill. This charge has always been on the bill. PPA stands for Purchase Power Adjustment. We are allotted a certain amount of hydropower from New York Power Authority. Any amount over that allotment we have to buy on the open market. The PPA includes this expense as well as wheeling and other costs. These are prorated through the PPA charge on your bill and will be higher during the winter months when more electric is being used.

NO PARKING on Village streets through April 1st between 1am and 7am. This allows our Public Works Dept to handle snow plowing. Parking violators will be prosecuted by law and vehicles will be towed at owner's expense.

VILLAGE PARK RESERVATIONS – Don't forget about the Village Park for your family, graduation or church picnics this summer. Cost to Village/Town residents to reserve the park is \$75 per day and \$25 is refundable after the key is returned and the pavilion is inspected. Contact or stop by the Village office to reserve your date.
